When you arrive in Israel please make sure to keep the ticket you receive at passport control when you enter Israel (Sample below)

Tourists in Israel are exempt from 17% Value Added Tax

When you check into the hotels in Israel they require that you present the entry permit as their systems are connected to the border control database and this is their only indication if you are a tourist or not. If you fail to present the entry ticket you will be charged 17% VAT on your hotel.
